Galicia Client Alert New Partner

Galicia is pleased to inform that, as of December 1st, 2021, **Octavio Cantón joins our firm as Partner of our Labor practice.**

Our labor practice was created in 2018 under the leadership of our **counsel Nadia González**, who has been responsible for the creation, positioning and strengthening of the area by providing specialized and high level legal advice to our clients in the daily operation of their businesses and ensuring compliance with Mexican labor law, as well as offering advice related to union strategic planning, collective bargaining, compensation, and more recently on issues of great relevance to our clients such as the Outsourcing Reform.

With the incorporation of Octavio, we have expanded the range of services required by our clients by strengthening our consulting capacity and adding litigation capabilities, in addition to the strategic alliances for individual and collective litigation matters throughout the country.

Our labor practice will be led by Octavio as partner responsible of the area with full collaboration of Nadia as counsel, coordinating the efforts of the labor practice to continue with the consolidation of the area.

Octavio has advised domestic and foreign, public and private companies in all branches of industry, commerce and services. He is an expert in the handling of individual labor matters and in the resolution of collective disputes.

His main clients include BlackRock, Eli Lilly, Accenture, Deloitte, Marriott, BHP Billiton, Skandia, Aeroméxico, Mitsui, Pemex Procurement International (PPI), Kinder Morgan, Chedraui, Cruz Azul,

Grupo Angeles, the US Government, the World Bank and Pujol Restaurant to name a few.
