

Extension of the Deadline to file the Annual Emissions Inventory (COA) and other Emissions reports

Mexico City, July 2, 2020

On June 30, 2020, the Ministry of Environment and Natural Resources ("SEMARNAT" for its acronym in Spanish) published in the Federal Official Gazette ("DOF"), the "Resolution whereby the general public is notified about the extension of the deadline for filling of the Annual Emissions Inventory ("COA"), the National Registry of Emissions and the verification report of the pollutants generated during the previous year", (the "Resolution").

The Resolution extends the deadline to file the COA corresponding to 2019, from June 30, **until September 30, 2020**.

In addition, the Resolution extends the deadline for those Establishments that need to file before the National Registry of Emissions the information regarding their direct and indirect greenhouse gas emissions generated between January 1 and December 31 of year 2019, through the COA, **until September 30, 2020**.

Finally, the term to file the verification before the National Registry of Emissions report will be **from October 1, 2020 up to February 28, 2021**.

This Resolution entered into force on July 1, 2020.
