

# Amendment to the Guidelines for the execution of the Gradual Plan towards the New Normality in Mexico City

Mexico City, September 30, 2020

---

On September 25, 2020, notice number 22 (the "Notice") was published in the Official Gazette of Mexico City ("CDMX") which modifies the *Guidelines for the execution of the Gradual Plan towards the New Normality in Mexico City* (the "Guidelines"), published on May 29, 2020.

According to the Notice, the return of on-site activities for corporate and private sector offices, as well as for public officials of the CDMX and Municipalities, will not occur until the epidemiological spotlight has turned green.

Because of the foregoing, remote work must continue, except for those corporate or private sector offices related to essential activities, whose presence is needed for the proper operation of such activity. In the case of public officials of the CDMX and Municipalities, only the personnel needed for the attention of collection, social programs and Citizen Service Areas of the government will be required to attend their offices.

The Notice entered into effect on the day of its publication.
